

Bangladesh

US State Dept Travel Advisory

The US Department of State currently recommends US citizens **RECONSIDER TRAVEL** to Bangladesh due to COVID-19. Exercise increased caution in Bangladesh due to crime, terrorism, and kidnapping. Consult its website daily via the link below for any travel advisories about visiting this country.

<https://travel.state.gov/content/travel/en/traveladvisories/traveladvisories.html>

Passport/Visa Requirements

US citizens should make sure their passport will not expire for at least 6 months after they enter the country even if they do not intend to stay that long. They should also make sure they have at least 1 blank page in their passport for any entry stamp and or visa that will be required. A visa is required. US citizens will need to get in touch with the country's embassy or nearest consulate to obtain a visa prior to visiting the country.

US Embassy/Consulate

[880] (2) 5566-2000; US Embassy in Dhaka, Madani Avenue, Baridhara, Dhaka -1212, Bangladesh

Vaccinations

Hepatitis A and typhoid vaccinations are required; hepatitis B, Japanese encephalitis, and rabies vaccinations recommended. Proof of yellow fever vaccination is required if you are traveling from a country with a risk of yellow fever and are older than one year of age. See WHO recommendations.

<http://www.who.int>
