US State Dept Travel Advisory

The US Department of State currently recommends US citizens RECONSIDER TRAVEL to Egypt due to COVID-19. Exercise increased caution in Egypt due to terrorism and the Embassy's limited ability to assist dual national US-Egyptian citizens who are arrested or detained.

<https://travel.state.gov/content/travel/en/traveladvisories/traveladvisories.html>

Passport/Visa Requirements

US citizens should make sure their passport will not expire for at least 6 months after they enter the country even if they do not intend to stay that long. They should also make sure they have at least 1 blank page in their passport for any entry stamp and or visa that will be required. A visa is required. US citizens will need to get in touch with the country's embassy or nearest consulate to obtain a visa prior to visiting the country.

US Embassy/Consulate

[20-2] 2797-3300; US Embassy in Cairo, 5 Tawfik Diab Street, Garden City, Cairo, Egypt

Vaccinations

An International Certificate of Vaccination for yellow fever is required for travelers arriving from countries with a risk of yellow fever transmission and for travelers having transited through the airport of a country with risk of yellow fever transmission. See WHO recommendations.
