Equatorial Guinea

US State Dept Travel Advisory

The US Department of State currently recommends US citizens **RECONSIDER TRAVEL** to Equatorial Guinea due to COVID-19. Consult its website daily via the link below for any travel advisories about visiting this country.

<https://travel.state.gov/content/travel/en/traveladvisories/traveladvisories.html>

Passport/Visa Requirements

US citizens should make sure their passport will not expire for at least 6 months after they enter the country even if they do not intend to stay that long. They should also make sure they have at least 2 blank pages in their passport for any entry stamp that will be required. A visa is not required as long as you do not stay in the country more than 89 days.

US Embassy/Consulate

[240] 333 09 57 41; US Embassy in Malabo, Malabo II highway, Malabo, Guinea Equatorial

Vaccinations

An International Certificate of Vaccination for yellow fever is required for travelers arriving from countries with a risk of yellow fever transmission and for travelers having transited through the airport of a country with risk of yellow fever transmission. Proof of polio vaccination is required, a polio booster dose required for those who have completed a normal series of the polio vaccine. See WHO recommendations.
